

Chunk It

I am learning to use tens or ones to compose a number to fill a given shape.

Materials:

Chunk It base-ten building cards Set A- rectangular shapes Set B- combined rectangular shapes Base-ten blocks- longs and units

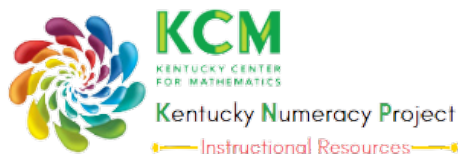

Directions:

Have 10 longs and 100 units blocks available for each student

Student take turns:

- **Select building card and records card letter on recording sheet**
- **Fill the shape with longs**
- **Tell how many longs to fill the shape**
- **Fill the shape with units**
- **Tell how many units to fill the shape**

Repeat with different building cards
