

KNP ID # T 5518.4, Purple

Fluency Benchmark: KY.2.NBT.5

Task Group: Chunk It

Kentucky Academic Standard(s): [KY.1.NBT.2](#), [KY.1.NBT.4](#)

Numeracy Target: Solve 2-digit +/- without materials using a range of strategies

Chunk It

I am learning to decompose a number into tens and ones in two different ways and write the matching addition sentences.

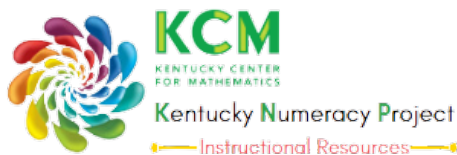

Materials:

Two sets of Arrow cards for group- tens and ones, Base ten blocks- longs and units, Recording Sheet Building Space

Directions:

Students will take turns:

- Draw one tens and one ones arrow card
- Place the cards together and write down your first number
- Repeat for second number
- Write your expression on your recording sheet
- Build the total with long and unit blocks
- Students will try to build again a different way
