

## Chunk It

**I am learning to add two three digit numbers using place value strategies, write the matching number sentence and then explain my thinking.**

### **Materials:**

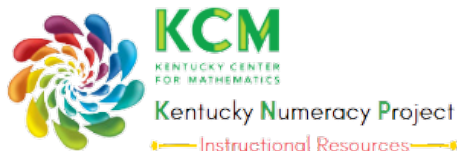

Arrow cards- hundreds, tens and ones, Recording Sheet, Resources for student explanations:  $\frac{1}{2}$  Building Space - Base ten blocks- flats, longs and units  $\frac{1}{2}$  Writing space- pencil and paper or whiteboards

### **Directions:**

**Shuffle arrow cards and place them in stacks separated by place value**

### **Students will take turns:**

- **Draw one thousands, one hundreds, one tens and one ones arrow card**
- **Place the cards together and write down your first number**
- **Repeat for second number**
- **Write your expression down**
- **Explain to classmate your thinking using words or base ten blocks**
