

Delivery Game (sticks or bundles)

I am learning to add or subtract ones and/or tens using materials and write the matching addition and subtraction sentences.

Materials:

Delivery Game: 2 truck picture mats and tens or ones customer order cards, one set per pair of students; 20 bundles of ten popsicle sticks, 50 loose sticks and 4 hair-holders per pair; writing space

Directions:

1. Get the tub of bundles and sticks and place where all players can reach.
2. Give each player a Delivery Truck game board.
3. Each player will place 5 bundles and 5 loose sticks on his or her game board.
4. On your turn, draw a game card and follow the directions. Determine your new amount of sticks. Write the matching number sentence.
5. Take turns.
6. Play until all cards are gone. The player with the most sticks wins.
