

One Hundred Beads

I am learning to connect the written numeral to the quantity in the range 1 to 100.

Materials:

100 bead rack (10 rows of 10) or 100 bead string, writing material

Directions:

1. The teacher will flash an amount (between 1 to 100) on a 100 bead rack.
2. Write the matching number.
3. Share your answer and explain your reasoning with the teacher and the rest of the class.
