

## Folding Strips!

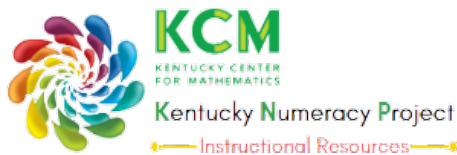

I am learning to fold paper strips to make two or four equal shares. (I am learning to make eight equal shares.)

### Materials:

Adding machine paper strips, Long strips (about 12-15 inches) and Short strips (about 8 inches), Activity Sheet, crayon or highlighter, pencil

### Directions:

1. Get an Activity Sheet and a long paper strip.
2. Follow the directions on the activity sheet and answer the questions in parts 1 through 4.
3. Complete the extension activity if directed by your teacher.
